### Item 1.01. Entry into a Material Definitive Agreement.

On January 11, 2011, Cliffs Natural Resources Inc., an Ohio corporation (“Cliffs”), entered into a definitive arrangement agreement (the “Arrangement Agreement”) with Consolidated Thompson Iron Mines Limited, a corporation existing under the laws of Canada (“Consolidated Thompson”). The Arrangement Agreement provides that, upon the terms and subject to the conditions set forth in the Arrangement Agreement, Cliffs will acquire all of the shares (each, a “Share”) of Consolidated Thompson (the “Transaction”), and Consolidated Thompson will become an indirect, wholly-owned subsidiary of Cliffs.

Under the terms of the Transaction, each Consolidated Thompson shareholder will receive C\$17.25 per Share, all holders of “in-the-money” Consolidated Thompson stock options and warrants will receive a cash payment equal to the difference between C\$17.25 and the exercise price of the stock option or warrant and all holders of performance share units, will receive C\$17.25 per performance share unit, for a transaction valued at approximately C\$4.9 billion dollars (including net debt). Cliffs has available liquidity and financing commitments for bridge financing sufficient to fund the Transaction.

The Arrangement Agreement provides for customary representations, warranties and covenants, including, among others, that each party will use commercially reasonable efforts to complete the Transaction. The Arrangement Agreement also contains customary non-solicitation covenants from Consolidated Thompson, match rights in favor of Cliffs in the event of a superior proposal and certain termination rights for either party. The completion of the Transaction is subject to the satisfaction or waiver of a number of customary conditions, including obtaining the approval of two-thirds of the votes cast by Consolidated Thompson’s shareholders at a special meeting, court approval of the plan of arrangement and the receipt of required regulatory approvals. An additional closing condition is that there is no material adverse change in Consolidated Thompson’s business, financial condition, property, assets or results of operations.

Concurrently with the execution of the Arrangement Agreement, Cliffs entered into a support agreement (the “Support Agreement”) with Wuhan Iron and Steel (Group) Corporation (“WISCO”). WISCO is the owner of approximately 19% of the outstanding Shares. The Support Agreement provides for customary representations, warranties and covenants, including that WISCO will vote all of its Shares in favor of the Transaction. The Support Agreement terminates if, among other things, the Arrangement Agreement is terminated in accordance with its terms or upon completion of the Transaction. In addition, Consolidated Thompson’s directors and certain officers and others also entered into similar support agreements.

The foregoing descriptions of the Arrangement Agreement and the Support Agreement contained in this Item 1.01 do not purport to be complete and are qualified in their entirety by reference to the Arrangement Agreement and the Support Agreement, which are attached hereto as Exhibit 2.1 and Exhibit 10.1 and are incorporated herein by reference.

**ADDITIONAL AGREEMENTS**

**7.01**            **Non-Solicitation**

- (1) Thompson shall not, directly or indirectly, through any officer, director, employee, representative (including any financial or other advisor) or agent of Thompson or any of its Subsidiaries, (i) make, solicit, initiate, assist, encourage or otherwise facilitate (including by way of furnishing information or entering into any form of agreement) the initiation of any inquiries or proposals regarding, constituting or that may reasonably be expected to lead to, an Acquisition Proposal, (ii) participate in any discussions or negotiations regarding, or provide any information with respect to, or otherwise co-operate in any way with, any effort or attempt by any other person (other than Parent or its affiliates) to make or complete an Acquisition Proposal provided that Thompson may: (A) advise any person requesting access to non-public information relating to Thompson or its Subsidiaries that such access cannot be provided unless such person makes an Acquisition Proposal in accordance with the terms of this Agreement; and (B) advise any person making an unsolicited Acquisition Proposal that such Acquisition Proposal does not constitute or could not reasonably be expected to lead to a Superior Proposal when the Board has so determined, (iii) effect a Change in Recommendation, or (iv) accept or enter into, or propose publicly to accept or enter into, any letter of intent, agreement in principle, agreement, arrangement or undertaking in respect of an Acquisition Proposal; provided that nothing contained in this Arrangement Agreement shall prevent the Board from (A) making a Change in Recommendation, and/or (B) considering, providing information to a person, negotiating, accepting, approving, recommending to Thompson Shareholders or entering into an agreement, in each case in respect of a *bona fide*, written Acquisition Proposal received at any time prior to obtaining Shareholder Approval, in each case solely in the manner and under the circumstances set forth in this Section 7.01 or Section 7.02, as the case may be, and in each case where the Acquisition Proposal in question:

- (c) involves the acquisition of (or, in the case of a take-over bid, an offer for) not less than all of the outstanding Thompson Shares on a fully diluted basis or all or substantially all of the assets of Thompson;
- (d) in respect of which the Board determines in its good faith judgment, after consultation with its financial advisors and its external legal counsel, that failure to take such action would be inconsistent with its fiduciary duties under applicable Law; and
- (e) in respect of which the Board determines in its good faith judgment, after consultation with its financial advisors and its external legal counsel would, if consummated in accordance with its terms (but not assuming away any risk of non-completion), result in a transaction that: (A) is reasonably capable of completion in accordance with its terms without undue delay, taking into account all legal, financial, regulatory and other aspects of such Acquisition Proposal and the person making such Acquisition Proposal; (B) is more favourable from a financial point of view to Thompson Shareholders than the Arrangement (after giving effect to any changes to the terms and conditions of this Arrangement Agreement proposed by Parent in response to such Acquisition Proposal pursuant to Section 7.02), taking into account all legal, financial, regulatory and other aspects of such Acquisition Proposal and the person making such Acquisition Proposal; and (C) is not subject to any financing condition and in respect of which any required financing to complete such Superior Proposal has been demonstrated to the satisfaction of the Board, acting in good faith, is reasonably likely to be obtained

(any such Acquisition Proposal that satisfies all of the foregoing clauses being referred to herein as a “**Superior Proposal**”).

Thompson agrees not to release any third party from, and shall enforce, any confidentiality agreement relating to a potential Acquisition Proposal to which such third party is a party. Thompson further agrees that neither it, nor any of its Subsidiaries, shall terminate, waive, amend or modify, and agrees to actively prosecute and enforce, its rights under any agreement containing a standstill provision and any provision of any existing confidentiality agreement or any standstill agreement to which it or any of its Subsidiaries is a party.

- (3) Thompson shall immediately (and in any event within 24 hours of receipt by Thompson) notify Parent of, at first orally and then in writing, of any Acquisition Proposal or inquiry or proposal that could reasonably be expected to lead to an Acquisition Proposal, in each case received after the date hereof of which any of its directors or officers become aware, or any amendments to the foregoing, or any request for non-public information relating to Thompson or any of its Subsidiaries in connection with an Acquisition Proposal or for access to the properties, books or records of Thompson or any of its Subsidiaries by any person that informs Thompson or any of its Subsidiaries that it is considering making, or has made, an Acquisition Proposal and any amendment thereto and a description of the material terms of any such Acquisition Proposal or inquiry, and shall provide the identity of the person making any such Acquisition Proposal or inquiry and such other details of the proposal or inquiry as Parent may reasonably request. Thompson shall keep Parent fully informed of the status, including any change to the material terms, of any such Acquisition Proposal or inquiry.
- (4) If, prior to receipt of the Shareholder Approval, Thompson receives a written request for material non-public information from a person who proposes an unsolicited *bona fide* Acquisition Proposal, and the Board determines in good faith, after consideration with its financial advisers and external counsel, that such proposal constitutes or could reasonably be expected to lead to (assuming completion of a due diligence review not exceeding 15 days from the date of Thompson first determining that it is permitted to disclose non-public information to such person making the Acquisition Proposal under this Section 7.01(4) (the “**Restricted Period**”)), if consummated in accordance with its terms, a Superior Proposal, then, and only in such case, following compliance with Section 7.01(3), the Board may, subject to the execution by such person of a confidentiality and standstill agreement that contains provisions that are no less favourable to Thompson than those contained in the Confidentiality Agreement and provided that such confidentiality and standstill agreement may not include any provisions calling for an exclusive right to negotiate with Thompson and may not restrict Thompson or its Subsidiaries from complying with this Section 7.01, provide such person with access in accordance with subsection (1) to information regarding Thompson for a period of review not to exceed the Restricted Period; provided, however that the person making the Acquisition Proposal shall not be precluded thereunder from making the Acquisition Proposal, and provided further that Thompson sends a correct and complete copy of any such confidentiality and

standstill agreement to Parent immediately upon its execution and before any such non-public information is provided and Parent is immediately provided with a list and copies of all information provided to such person not previously provided to Parent and is immediately provided with access to information similar to that which was provided to such person.

- (5) Thompson shall ensure that its officers and directors and those of its Subsidiaries and any financial or other advisors or representatives retained by it are aware of the provisions of this Section, and it shall be responsible for any breach of this Section by any such person or its advisors or representatives.
- (6) Nothing contained in this Arrangement Agreement shall prohibit the Board from making any disclosure to Thompson Shareholders, responding through a directors' circular or otherwise as required by applicable Securities Laws to any Acquisition Proposal or from calling and holding a meeting of Thompson Shareholders requisitioned by Thompson Shareholders in accordance with the CBCA or ordered to be held by a court pursuant to the CBCA, in each case prior to the Effective Date if required under applicable Laws.

## 7.02

### **Right to Match**

- (1) Subject to Section 7.02(2), Thompson covenants that it will not accept, approve, recommend or enter into any agreement in respect of an Acquisition Proposal (other than a confidentiality and standstill agreement permitted by Section 7.01(4)) or effect a Change in Recommendation unless:
  - (a) an Acquisition Proposal has been made that the Board determines in good faith, after consultation with its financial advisors and external legal counsel, constitutes a Superior Proposal;
  - (b) Thompson has complied with its obligations under Section 7.01 and the other provisions of this Article 7;
  - (c) Thompson has provided Parent with a notice in writing that there is a Superior Proposal together with all documentation comprising the Superior Proposal;
  - (d) a period (the "**Response Period**") of four Business Days shall have elapsed from the date on which Parent received the entirety of the documentation set forth in the prior paragraph, and, if Parent has proposed to amend the terms of the Arrangement in accordance with Section 7.02(2), the Board shall have determined, in good faith, after consultation with its financial advisors and external legal counsel, that the Acquisition Proposal is a Superior Proposal compared to the terms of the Arrangement after giving effect to any offer to amend the terms of the Arrangement made by Parent in accordance with Section 7.02(2);

- (e) Thompson terminates this Arrangement Agreement pursuant to Section 8.02(1)(e); and
  - (f) Thompson has previously, or concurrently will have, paid to Parent the Termination Payment.
- (2) During the Response Period, Parent will have the right, but not the obligation, to offer to amend the terms of the Arrangement, and Thompson shall co-operate with Parent with respect thereto, including negotiating in good faith with Parent to enable Parent to make such adjustments to the terms and conditions of this Arrangement Agreement and the Arrangement as Parent deems appropriate and as would enable Parent to proceed with the Arrangement and any related transactions on such adjusted terms. The Board will review in good faith any such offer by Parent to amend the terms of the Arrangement, including an increase in, or modification of, the consideration to be received by the Thompson Shareholders, to determine whether the Acquisition Proposal to which Parent is responding would be a Superior Proposal when assessed against the Arrangement as Parent has offered to amend it. If the Board does not so determine, the Board will promptly reaffirm its recommendation to Thompson Shareholders to vote in favour of the Arrangement Resolution and enter into an amended Arrangement Agreement with Parent reflecting Parent's offer to amend the terms of the Arrangement.
- (3) If Thompson provides Parent with notice under Section 7.02(1) on a date that is less than three Business Days before the date of the Special Meeting, subject to applicable Laws, Thompson shall postpone or adjourn the Special Meeting to a date that is at least three Business Days but not more than 10 Business Days after the scheduled date of the Special Meeting.
- (4) Each successive amendment to any Acquisition Proposal that results in an increase in, or modification of, the consideration (or value of such consideration) to be received by the holders of Thompson Shares shall constitute a new Acquisition Proposal for the purposes of this Section 7.02 and Parent shall be afforded a new Response Period in respect of each such Acquisition Proposal.

### **7.03**

#### **Agreement as to Damages**

- (1) Notwithstanding any other provision relating to the payment of fees, including the payment of brokerage fees, if after the execution of this Arrangement Agreement the Arrangement is not consummated because:
- (a) Parent shall have terminated this Arrangement Agreement pursuant to Section 8.02(1)(d);
  - (b) (i) a *bona fide* Acquisition Proposal shall have been made public or proposed publicly to Thompson or to the Thompson Shareholders after the date hereof and prior to the Special Meeting; (ii) this Arrangement

Agreement is terminated pursuant to either Section 8.02(1)(a)(ii) or Section 8.02(1)(a)(iii); and (iii) an Acquisition Proposal is consummated within a period of six months from the exercise of such termination rights (whether or not such Acquisition Proposal is the same Acquisition Proposal referred to in clause (i) above); provided that for the purposes of this Section 7.03(1)(b), the definition of "Acquisition Proposal" shall have the meaning assigned to such term in Section 1.01, except that references to "20%" shall be deemed to be "50%";

- (c) Parent shall have terminated this Arrangement Agreement pursuant to Section 8.02(1)(b) on the basis that Thompson intentionally and materially breached its obligations under any of Sections 2.02, 2.07, 2.08, 7.01 or 7.02 of this Arrangement Agreement; or
- (d) Thompson shall have terminated this Arrangement Agreement pursuant to Section 8.02(1)(e),

then Thompson shall pay to Parent, within two Business Days of the first to occur of (a), (b) and (c) above (or, in the case of (d) contemporaneously or prior to such termination), the amount of \$156.5 million (the "**Termination Payment**") as liquidated damages in immediately available funds to an account designated by Parent.

- (2) Each Party acknowledges that the payment amount set out in this Section 7.03 is a payment of liquidated damages which is a genuine pre-estimate of the damages which Parent will suffer or incur as a result of the event giving rise to such damages and the resultant termination of this Arrangement Agreement and is not a penalty. Thompson irrevocably waives any right it may have to raise as a defence that any such liquidated damages are excessive or punitive. For greater certainty, the Parties agree that, subject to Article 8, payment of the amounts determined pursuant to this Section 7.03 in the manner provided in respect thereof is the sole monetary remedy of Parent, provided however that payment by Thompson of the amounts required to be paid pursuant to Section 7.03 shall not be in lieu of any damages or any other payment or remedy available in the event of any wilful or intentional breach by Thompson of any of its obligations under this Arrangement Agreement.

#### **7.04 Fees and Expenses**

Subject to Subsection 5.05(9), each Party shall pay all fees, costs and expenses incurred by such Party in connection with this Arrangement Agreement and the Arrangement.

#### **7.05 Access to Information; Confidentiality**

From the date hereof until the earlier of the Effective Time and the termination of this Arrangement Agreement, Thompson shall, and shall cause its Subsidiaries and their respective officers, directors, employees, independent auditors, accounting advisers and agents to, afford to

Parent and to the officers, employees, agents and representatives of Parent such access as Parent may reasonably require at all reasonable times, including for the purpose of facilitating integration business planning and Parent's financing of this transaction, to their officers, employees, agents, properties, books, records and Contracts, and shall furnish Parent with all data and information Parent may reasonably request. The Parties acknowledge and agree that information furnished pursuant to this Section shall be subject to the terms and conditions of the Confidentiality Agreement.

**7.06            Insurance and Indemnification**

- (1) From and after the Effective Time, Parent will fulfill, and will cause Thompson and/or its successors to fulfill and honour in all respects its obligations pursuant to any indemnification agreements between Thompson and the present and former directors or officers of Thompson or any Subsidiary thereof (the "**Indemnified Parties**") in effect immediately prior to the Effective Time and any indemnification provisions under the Charter Documents of Thompson or applicable Laws, in each case, as in effect on the date hereof and to the extent disclosed in Schedule 7.06 of the Disclosure Letter and permitted by applicable Laws. Parent shall cause Thompson and/or its successors to not amend, repeal or otherwise modify the provisions with respect to exculpation and indemnification contained in the Charter Documents of Thompson as in effect on the date hereof for a period of six years from the Effective Time in any manner that would adversely affect the rights thereunder of individuals who, prior to the Effective Time, were directors or officers of Thompson.
- (2) Prior to the Effective Time, Thompson shall (or if Thompson is unable to, Parent shall) obtain and pay for "tail" insurance policies with a claims period of at least six years from and after the Effective Time from an insurance carrier with the same or better credit rating as Thompson's current insurance carrier with respect to directors' and officers' liability insurance and fiduciary liability insurance (collectively, "**D&O Insurance**") with benefits and levels of coverage not less favourable than those provided under Thompson's existing policies with respect to matters existing or occurring at or prior to the Effective Time (including in connection with this Arrangement Agreement or the transactions or actions contemplated hereby), provided that the aggregate cost of the D&O Insurance shall not exceed \$1 million. If Thompson or Parent for any reason fail to obtain such "tail" insurance policies as of the Effective Time, for a period of six years after the Effective Time, Parent will, or will cause Thompson and/or its successors to, maintain in effect directors' and officers' liability insurance covering those persons who are currently covered by Thompson's directors' and officers' liability insurance policy with respect to claims arising from facts or events that occurred on or before the Effective time on terms comparable to those applicable to the current directors and officers of Thompson.
- (3) This Section 7.06 is intended to be for the benefit of, and shall be enforceable by, the Indemnified Parties referred to herein, their heirs and personal representatives.

**7.07**                    **Additional Agreements**

If this Arrangement Agreement is terminated in accordance with Section 8.02(1), then Thompson shall have the right (the “**Thompson Bond Option**”) during the period from the time of termination of this Arrangement Agreement to 5:00 p.m. (Eastern time) on the 10<sup>th</sup> Business Day after the date of termination of this Arrangement Agreement (the “**Thompson Bond Option Period**”) to acquire from Parent or any affiliate of Parent all, but not less than all, of its and their respective right, title and interest in and to the Thompson Bonds beneficially owned or over which control or direction is exercised by Parent or any affiliate of Parent (the “**Parent Thompson Bonds**”) for a purchase price equal to the aggregate acquisition cost of the Parent Thompson Bonds (the “**Thompson Bond Option Exercise Price**”), and if the Thompson Bond Option is exercised in accordance with this Section 7.07, Parent shall sell and cause any affiliate of Parent to sell to Thompson all of its and their respective right, title and interest in and to the Parent Thompson Bonds. The Thompson Bond Option may be exercised by Thompson by providing to Parent within the Thompson Bond Option Period a notice indicating Thompson’s intent to exercise the Thompson Bond Option (the “**Thompson Bond Option Exercise Notice**”). Within 3 Business Days of receipt by Parent of the Thompson Bond Option Exercise Notice, Parent shall notify Thompson of the aggregate principal amount, if any, of the Parent Thompson Bonds; the Thompson Bond Option Exercise Price together with reasonable supporting documentation; and all necessary particulars in respect of Parent’s account to which Thompson is to wire the Thompson Bond Option Exercise Price (the “**Thompson Bond Option Response Notice**”). Within 3 Business Days of receipt by Thompson of the Thompson Bond Option Response Notice, Thompson shall make payment of the Thompson Bond Option Exercise Price by wire transfer of immediately available funds to the account designated in writing by Parent in the Thompson Bond Option Response Notice. Within 3 Business Days of receipt by Parent of the Thompson Bond Option Exercise Price, Parent shall, and shall cause its affiliates as necessary, to deliver to Thompson instruments of conveyance of all of its and their respective right, title and interest in and to the Parent Thompson Bonds and such transfers, Thompson Bond certificates, powers of attorney, evidence of ownership or rights and instruments, as applicable and as may reasonably be requested by Thompson in furtherance of the foregoing. During the Thompson Bond Option Period and, to the extent Thompson delivers to Parent a Thompson Bond Option Exercise Notice, the period thereafter to the extent that Thompson complies with its obligations under this Section 7.07, Parent shall not, and shall cause each of its affiliates not to, sell, transfer, gift, assign, pledge, hypothecate, encumber, convert or otherwise dispose of any of the Parent Thompson Bonds, or enter into any agreement in respect of any of the foregoing. The Thompson Bond Option and the benefit of Parent’s covenants under this Section 7.07 may be assigned by Thompson to any person upon not less than 3 Business Day’s prior written notice by Thompson to Parent.

**ARTICLE 8**  
**TERM, TERMINATION, AMENDMENT AND WAIVER**

**8.01**                    **Term**

This Arrangement Agreement shall be effective from the date hereof until the earlier of the Effective Time and the termination of this Arrangement Agreement in accordance with its terms.

**8.02**

**Termination**

- (1) This Arrangement Agreement may:
- (a) be terminated either by Parent or by Thompson if
    - (i) the condition in Section 6.01(4) is incapable of being satisfied on or before the Outside Date;
    - (ii) the Arrangement shall not have been consummated by the Outside Date for any reason; provided, however, that the right to terminate this Arrangement Agreement under this Section 8.02(1)(a)(ii) shall not be available to any Party whose action or failure to act has been a principal cause of or resulted in the failure of the Arrangement to occur on or before such date and such action or failure to act constitutes a breach of this Arrangement Agreement; or
    - (iii) the Special Meeting shall have been held and the Shareholder Approval shall not have been obtained thereat or at any adjournment or postponement thereof;
  - (b) subject to Section 6.04, be terminated by Parent if Parent is not in material breach of its obligations under this Arrangement Agreement and Thompson breaches any of its representations, warranties, covenants or agreements contained in this Arrangement Agreement, such that the conditions set forth in Section 6.02(1) or 6.02(2), as applicable, are incapable of being satisfied on or before the Outside Date;
  - (c) subject to Section 6.04, be terminated by Thompson if Thompson is not in material breach of its obligations under this Arrangement Agreement and Parent breaches any of its representations, warranties, covenants or agreements contained in this Arrangement Agreement, such that the conditions set forth in Section 6.03(1) or 6.03(2), as applicable, are incapable of being satisfied on or before the Outside Date;
  - (d) be terminated by Parent if, prior to the Effective Time, (i) the Board shall have effected a Change in Recommendation, (ii) Thompson shall be in material breach of Section 7.01 or 7.02; or (iii) Parent requests that the Board reaffirm its recommendation that Thompson Shareholders vote in favour of the Arrangement Resolution and the Board shall not have done so by the tenth day following receipt of such request (it being understood that publicly taking no position or a neutral position with respect to the Arrangement Resolution until the tenth day following receipt of an Acquisition Proposal shall not be deemed to be a failure to reaffirm such recommendation); or

- (e) be terminated by Thompson in order to enter into a binding written agreement with respect to a Superior Proposal (other than a confidentiality and standstill agreement permitted by Section 7.01(4)) prior to obtaining Shareholder Approval, subject to compliance with Sections 7.01 and 7.02 and provided that no termination under this Section 8.02(1)(e) shall be effective unless and until Thompson shall have paid to Parent the amount required to be paid pursuant to Section 7.03;

in each case, prior to the Effective Time unless stated otherwise.

- (2) If this Arrangement Agreement is terminated in accordance with the foregoing provisions of this Section, this Arrangement Agreement shall forthwith become void and of no further force or effect and no Party shall have any further obligations hereunder except as provided in Sections 7.03 (including for greater certainty payment of the Termination Payment under any of the circumstances specified in Section 7.03), 7.04, 7.05, 7.07, 9.01, 9.02, 9.03, 9.06 and 9.07 and the Confidentiality Agreement and as otherwise expressly contemplated hereby, and provided that, neither the termination of this Arrangement Agreement nor anything contained in this Section 8.02 shall relieve any Party from any liability for any breach by it of this Arrangement Agreement, including from any inaccuracy in its representations and warranties and any non-performance by it of its covenants made herein.

### **8.03**            **Waiver**

Any Party may (i) extend the time for the performance of any of the obligations or acts of the other Party, (ii) waive compliance with any of the other Party's agreements or the fulfilment of any conditions to its own obligations contained herein, or (iii) waive inaccuracies in any of the other Party's representations or warranties contained herein or in any document delivered by the other Party; provided, however, that any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such Party and, unless otherwise provided in the written waiver, will be limited to the specific breach or condition waived.

**9.02** **Miscellaneous**

This Arrangement Agreement (i) constitutes the entire agreement and supersedes all other prior agreements, both written and oral, between the Parties with respect to the subject-matter hereof save for the Confidentiality Agreement; (ii) to the extent that the Parties are party thereto, shall be binding upon and enure to the benefit of the Parties and their respective successors and permitted assigns; and (iii) is not intended to confer upon any other person any rights or remedies hereunder, except as specifically provided in Section 7.06. The Parties shall be entitled to rely upon delivery of an executed facsimile or similar electronic copy of this Arrangement Agreement, and such facsimile or similar electronic copy shall be legally effective to create a valid and binding agreement between the Parties.

**9.03** **Governing Law**

This Arrangement Agreement shall be governed, including as to validity, interpretation and effect, by the laws of the Province of Ontario and the laws of Canada applicable therein, and shall be construed and treated in all respects as an Ontario contract. Each of the Parties hereby irrevocably attorns to the exclusive jurisdiction of the Courts of the Province of Ontario in respect of all matters arising under and in relation to this Arrangement Agreement and the Arrangement.

**9.04** **Injunctive Relief**

The Parties agree that irreparable harm would occur in the event that any of the provisions of this Arrangement Agreement or the Confidentiality Agreement were not performed in accordance with their specific terms or were otherwise breached for which money damages would not be an adequate remedy at law. It is accordingly agreed that the Parties shall be entitled to an injunction or injunctions and other equitable relief to prevent breaches or threatened breaches of the provisions of this Arrangement Agreement or the Confidentiality Agreement, and

otherwise to obtain specific performance of any such provisions, any requirement for the securing or posting of any bond in connection with the obtaining of any such injunctive or other equitable relief hereby being waived.

**9.05**                    **Time of Essence**

Time shall be of the essence in this Arrangement Agreement.

**9.06**                    **Binding Effect and Assignment**

Parent may assign all or any part of its rights under this Arrangement Agreement to, and its obligations under this Arrangement Agreement may be assumed by, a Subsidiary of Parent, provided that if such assignment and/or assumption takes place, Parent shall continue to be liable jointly and severally with such Subsidiary for all of its obligations hereunder. This Arrangement Agreement shall be binding on and shall enure to the benefit of the Parties and their respective successors and permitted assigns. Except as expressly permitted by the terms hereof, neither this Arrangement Agreement nor any of the rights, interests or obligations hereunder may be assigned by either of the Parties without the prior written consent of the other Party.

**9.07**                    **Severability**

If any term or other provision of this Arrangement Agreement is invalid, illegal or incapable of being enforced by any rule or Law or public policy, all other conditions and provisions of this Arrangement Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties shall negotiate in good faith to modify this Arrangement Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the fullest extent possible.

**9.08**                    **Language**

The Parties expressly acknowledge that they have requested that this Arrangement Agreement and all ancillary and related documents thereto be drafted in the English language only. *Les parties aux présentes reconnaissent avoir exigé que la présente entente et tous les documents qui y sont accessoires soient rédigés en anglais seulement.*

**9.09**                    **Counterparts**

This Arrangement Agreement may be executed in two or more counterparts, each of which shall be deemed to be an original but all of which together shall constitute one and the same instrument. The Parties shall be entitled to rely upon delivery of an executed facsimile or similar executed electronic copy of this Arrangement Agreement, and such facsimile or similar executed electronic copy shall be legally effective to create a valid and binding agreement between the Parties.

IN WITNESS WHEREOF Parent and Thompson have caused this Arrangement Agreement to be executed as of the date first written above by their respective officers thereunto duly authorized.

In consideration of Consolidated Thompson Iron Mines Limited (“**Consolidated Thompson**”) and Cliffs Natural Resources Inc. (“**Cliffs**”) entering into an arrangement agreement dated the date hereof, a copy of which is attached hereto as a schedule (the “**Arrangement Agreement**”) pursuant to which Cliffs or one of its Subsidiaries will acquire all the outstanding shares of Consolidated Thompson (the “**Transaction**”) pursuant to a plan of arrangement involving Consolidated Thompson for a price of C\$17.25 per share in cash (the “**Consideration**”), this support agreement (this “**Agreement**”) sets out the terms on which the Shareholder undertakes to support the Transaction and to take certain actions and do certain things in respect of the Transaction. This Agreement shall take effect on the date when the Arrangement Agreement is entered into and shall terminate as provided herein.

**1. Representations and Warranties of Cliffs**

Cliffs hereby represents and warrants to the Shareholder (and acknowledges that the Shareholder is relying upon such representations and warranties) that:

- (a) Cliffs has the legal capacity to execute and deliver this Agreement and to consummate the transactions contemplated hereby. This Agreement has been duly executed and delivered by Cliffs and, assuming the due authorization, execution and delivery by the Shareholder, this Agreement constitutes the legal, valid and binding obligation of Cliffs, enforceable in accordance with its terms, subject to laws of general application and bankruptcy, insolvency and other similar laws affecting creditors’ rights generally and general principles of equity;
- (b) Cliffs is a corporation validly subsisting and has all necessary corporate power and authority to execute and deliver this Agreement resulting from its acceptance hereof and to perform its obligations hereunder;
- (c) neither the execution and delivery of this Agreement by Cliffs, the consummation by Cliffs of the transactions contemplated hereby nor the compliance by Cliffs with any of the provisions hereof will:
  - (i) result in any breach of, or constitute a default (or an event which with notice or lapse of time or both would become a default) (or give rise to any third party right of purchase or right of first refusal) under any provision of any of the constating documents of Cliffs or under any of the terms, conditions or provisions of any note, loan agreement, bond,

mortgage, indenture, contract, licence, agreement, lease, permit or other instrument or obligation to which Cliffs is a party or by which Cliffs or any of its properties or assets may be bound or subject; or

(ii) violate or conflict with any judgement, order, notice, decree, statute, Law, ordinance, rule or regulation applicable to Cliffs or any of its properties or assets.

2. **Covenants of Cliffs**

Cliffs shall not, without the prior written consent of the Shareholder enter into an amendment of the Arrangement Agreement: (i) increasing or in any way making the conditions to the closing of the Transaction more onerous or burdensome; or (ii) decrease the Consideration; (iii) change the form of Consideration (other than to add additional consideration); or (iv) decrease the number of shares of Consolidated Thompson that Cliffs will acquire pursuant to the Transaction, or (v) otherwise materially vary the Transaction (or any terms or conditions thereof) in either case, in a manner which is adverse to the Shareholder or its subsidiaries (together the “**WISCO Group**”).

3. **Representations and Warranties of the Shareholder**

The Shareholder hereby represents and warrants to Cliffs (and acknowledges that Cliffs is relying upon such representations and warranties) that:

- (b) the Shareholder has the legal capacity to execute and deliver this Agreement and to consummate the transactions contemplated hereby. This Agreement has been duly executed and delivered by the Shareholder and, assuming the due authorization, execution and delivery by Cliffs, this Agreement constitutes the legal, valid and binding obligation of the Shareholder, enforceable in accordance with its terms, subject to laws of general application and bankruptcy, insolvency and other similar laws affecting creditors' rights generally and general principles of equity;
- (c) the Shareholder is a corporation validly subsisting and has all necessary corporate power and authority to execute and deliver this Agreement resulting from its acceptance hereof and to perform its obligations hereunder;
- (d) neither the execution and delivery of this Agreement by the Shareholder, the consummation by the Shareholder of the transactions contemplated hereby nor the compliance by the Shareholder with any of the provisions hereof will:
  - (i) result in any breach of, or constitute a default (or an event which with notice or lapse of time or both would become a default) (or give rise to any third party right of purchase or right of first refusal) under any provision of any of the constating documents of the Shareholder or under any of the terms, conditions or provisions of any note, loan agreement, bond, mortgage, indenture, contract, licence, agreement, lease, permit or other instrument or obligation to which such Shareholder is a party or by which such Shareholder or any of its properties or assets (including the Owned Securities) may be bound or subject; or
  - (ii) subject to compliance with any approval or Law contemplated by the Arrangement Agreement, violate or conflict with any judgement, order, notice, decree, statute, Law, ordinance, rule or regulation applicable to the Shareholder or any of its properties or assets;
- (e) other than the CLM Subscription Agreement, the Shareholder has not previously granted or agreed to grant any power of attorney or attorney in fact, proxy or other right to vote in respect of its Owned Securities or entered into any voting trust, or pooling or other agreement with respect to the right to vote, call meetings of shareholders or give consents or approvals of any kind as to its Owned Securities.

- (i) sell, transfer, gift, assign, pledge, hypothecate, encumber, convert or otherwise dispose of any of its Owned Securities (or permit any of the foregoing with respect to any of its Owned Securities) (“**Disposition**”), provided that the Shareholder shall have the right to transfer or sell the Owned Securities to an “affiliate” (as defined below) provided that the Shareholder shall remain bound by the terms of this Agreement in respect of any Owned Securities so transferred and shall cause any such affiliate to agree in writing in favour of Cliffs to be bound by the terms of this Agreement as if it were a party hereto; or

In addition, from the date hereof until any termination of this Agreement in accordance with its terms, the Shareholder shall promptly advise Cliffs, orally and in writing, and in no event later than the later of 48 hours and one Business Day after receipt, if any proposal, offer, inquiry or other contact is received by, any information is requested from, or any discussions or negotiations are sought to be initiated or continued with, the Shareholder in respect of any Acquisition Proposal, and shall, in any such notice to Cliffs, indicate the identity of the Person making such proposal, offer, inquiry or other contact and the material terms and conditions of any proposals or offers or the nature of any inquiries or contacts and thereafter shall promptly keep Cliffs fully informed of all material developments affecting the status and terms of any such proposals, offers, inquiries or requests and of the status of any such discussions or negotiations, to the extent permitted by applicable laws.

- (c) Provided that this Agreement has not been terminated in accordance with its terms, the Shareholder hereby irrevocably undertakes, until the Expiry Date:

appointing such person designated by Cliffs to attend and act on behalf of the Shareholder at any meeting of securityholders of Consolidated Thompson in respect of any of the matters in respect of this Section 4(c)(i) and to act on behalf of the Shareholder on every action or approval by written consent of the Shareholder in respect of such matters and, if pursuant to this power of attorney Cliffs has executed and not revoked a proxy or voting instruction form in respect of such a meeting, then in such circumstances the Shareholder shall not be responsible for voting under this Section 4(c)(i).

- (ii) notwithstanding Section 4(c)(i), upon the request or direction of Consolidated Thompson and without further consideration, the Shareholder shall, no later than 15 days prior to any meeting of securityholders of Consolidated Thompson in respect of any of the matters referred to in Section 4(c)(i), execute and deliver (or cause to be executed and delivered), if permitted, a proxy or, otherwise, a voting instruction form in connection with such meeting that: (A) appoints such person designated by Cliffs to attend and act on behalf of the Shareholder at such meeting; and (B) instructs such Owned Securities be voted at such meeting in accordance with Section 4(c)(i);

- (vi) to cooperate with Cliffs and, at the expense of Cliffs, do all things that Cliffs may reasonably request to give effect to this Agreement and its purposes, including executing and delivering such additional documents, making such filings as Cliffs may reasonably request (but Cliffs shall

indemnify the Shareholder for all losses, damages or costs suffered or incurred by the Shareholder as a result thereof), and not to do anything to frustrate or hinder the consummation of the Transaction.

Notwithstanding anything to the contrary, the above provisions shall not prohibit the Shareholder from participating in discussion in respect of or responding to any Acquisition Proposal to the extent that Consolidated Thompson is allowed to respond to or participate in discussion in respect of any Acquisition Proposal pursuant to the Arrangement Agreement.
