Dear Fellow Shareholder:

We have previously sent you proxy materials for the Special Meeting of Shareholders set for October 3, 2008. At the Special Meeting you are being asked to consider whether or not Harbinger Capital Partners should be allowed to increase its stake in Cliffs to just under one-third of the outstanding shares — a position that would give Harbinger effective “veto” power over the future strategic direction of your Company. Only you can prevent this from happening, and your Board of Directors unanimously recommends that you do so by voting your shares today **AGAINST** the Control Share Acquisition proposal on the enclosed **WHITE** proxy card.

Your Board believes that ALL Cliffs shareholders should have a meaningful voice in the direction of their Company. It is committed to representing all shareholders, and our governance structure is designed to accomplish that end. Your Board is composed entirely of independent outside directors with the sole exception of your Chairman and CEO. There is no “poison pill” provision in place. Shareholders have the right to cumulate their votes in the election of Directors. Shareholders may call special meetings, and may amend the Company’s charter and bylaws. Each of these provisions empowers shareholders and encourages their participation in the governance of the Company.

**KEEP YOUR OPTIONS OPEN—THE VOTE ON THE CONTROL SHARE PROPOSAL IS NOT
A REFERENDUM ON THE PROPOSED ALPHA TRANSACTION**

As you know, the Company recently entered into an agreement to acquire Alpha Natural Resources in a transaction that your Board recommends for a number of compelling reasons. **Don’t be misled—the October 3rd meeting is not a referendum on the Alpha merger.** All shareholders will receive detailed proxy materials that will enable you to carefully consider the merits of the proposed Alpha transaction at another, later Special Meeting. **You will have a chance to vote on the proposed merger in the near future. In the meantime, we believe you should preserve your ability to have a meaningful say in that, or any other extraordinary transaction that your Board may recommend for your consideration.**

PRESERVE THE POWER OF YOUR VOTE

Approval of the Control Share Acquisition proposal would permit Harbinger to amass a minority position of a magnitude that would give it not only influence over the direction of the Company, but could vest it with effective control over major acquisitions, divestitures or other strategic transactions, *no matter what the vote requirement*. Your Board does not believe that would be in the best interests of either the Company or you, its shareholders. **We urge you to vote your shares AGAINST the Control Share Acquisition on the enclosed WHITE proxy card today.**

On behalf of the Board of Directors,

Joseph A. Carrabba
Chairman, President and Chief Executive Officer

Preserve your say in future transactions and the direction of the Company by voting the WHITE proxy AGAINST the Control Share Acquisition proposal today.
